FIELDS OF STUDY: NEW UNDERGRADS

NEW FRESHMEN

NEW TRANSFERS

“IMMERSING MYSELF IN SUCH A DIVERSE AND EXCITING ENVIRONMENT HELPED ME COME OUT OF MY SHELL. THE AMOUNT OF PERSONAL GROWTH I’VE EXPERIENCED IS ASTOUNDING.”

FIRST-YEAR EXPERIENCE

The first year at UCLA is the first year of a great adventure. Students find friends, their academic passion, even their lifelong mission in this diverse community of highly motivated scholars. With 136 undergraduate majors and more than 4,000 courses, UCLA offers an unparalleled range and variety of study options.

Most freshmen begin their academic program during the summer in New Student Orientation, where 96% of new freshmen meet with academic advisers and sign up for their first classes. Beginning in Fall Quarter, programs like the True Bruin Welcome, *Fiat Lux* seminars, Cluster courses, and the Common Book program provide shared experiences that set many freshmen on the path to their future. New transfers come to UCLA having already selected a discipline of study and prepared for advanced instruction that further hones their expertise and focuses their direction.

Whether coming to campus as freshmen or transfers, UCLA students can expect to strengthen both academic and interpersonal skills, build supportive relationships, and complete their undergraduate experience with a profound sense of belonging and accomplishment.

TRANSFERS

Transfer students enter UCLA as juniors (third-year students), having taken enough courses at another institution to finish a bachelor's degree in two more years.

In Fall 2018, transfers accounted for 36% of new undergraduates, with 92% coming to UCLA from 104 different California Community Colleges, making a total of 96% from California's system of

public higher education—including 11 California State Universities and all 8 of the other UC campuses offering undergraduate programs.

In the degree year 2017-18, 36% of bachelor's degree recipients had started UCLA as transfer students. Graduation rates for transfers are comparable to those for freshman entrants.

MAJORS

The College of Letters and Science is home to most of UCLA's undergraduate majors, with additional undergraduate degree options offered by six distinguished professional schools: the Herb Alpert School of Music, the Luskin School of Public Affairs, the Samueli School of Engineering, School of Nursing, School of the Arts and Architecture, and School of Theater, Film, and Television.

IN FALL 2018, UCLA OFFERED MORE THAN 130 UNDERGRADUATE MAJORS. THESE WERE THE TOP 10.

MINORS

UCLA offers more than 90 undergraduate minors—programs that provide in-depth study in a subject outside the major without the level of coursework required to complete a second major. One in four undergraduates completes a minor program in addition to the degree major.

TOP 10 MINORS

Minors are offered by the College and by five schools with undergraduate majors—the School of the Arts and Architecture, the Herb Alpert School of Music, the School of Theater, Film, and Television, the Samueli School of Engineering and the Luskin School of Public Affairs. Professional schools without undergraduate programs—Management, Education and Information Studies, and Public Health—offer minors to undergrads who want to explore these advanced fields. Minors such as “Food Studies” and “Disability Studies” are interdisciplinary programs designed by collaborating faculty from different fields of study.

UNDERGRADUATE RESEARCH OPPORTUNITIES

Many undergraduates think of research as something reserved for graduate students, but more than half of UCLA bachelor’s degree recipients graduate with research experience. At UCLA, research experiences are available to undergraduates through specialized courses, seminars, tutorials, and departmental honors programs. Two undergraduate research centers—one focused on science, math and engineering and the other on the arts, humanities and social sciences—give students access to research projects, scholarships, and other opportunities. Working with a professor on a research project is not just for graduate students; from their first day at UCLA, new freshmen and transfers can participate in research or creative projects under the direction of a faculty mentor through the Student Research Program.

UNDERGRADUATE EDUCATION AND INITIATIVES

- 3,328 instructional faculty teaching 4,008 courses in more than 130 undergraduate majors
- 20 faculty in residence living on campus and providing academic programming in the living learning communities while also teaching classes on campus
- Entrepreneurship minor and programs designed to give students opportunities to learn the basics of startup thinking and to provide a community where students can develop and launch their ideas
- Up to 200 small-group seminars with faculty from across the campus through the *Fiat Lux* program
- UCLA Cluster Program: year-long learning communities focused on interdisciplinary themes of enduring importance
- University Studies: courses specifically designed to help students transition into and succeed at UCLA
- Honors Programs: individually tailored, interdisciplinary-focused undergraduate experiences
- Capstone majors available in all undergraduate divisions, including research, creative performance, product design, community service, and leadership projects

FINANCIAL AID

In the 2018-19 academic year, 15,495 undergraduates (more than 50%) received need-based scholarship or grant aid, with an average award of \$20,775. Of UCLA’s 2017-18 graduating class, 58% had no student loan debt, and the 42% who did borrow had an average debt of \$22,390—well below the national average.

Thanks to UCLA’s Blue + Gold Opportunity Plan, California residents whose family income is less than \$80,000 are guaranteed grants (institutional, federal, and state) that fully cover UC tuition and fees. More than 32% of undergraduates receive a Federal Pell Grant, and roughly 31% work part time to help meet college costs.

ACTIVITIES OUTSIDE THE CLASSROOM

Student Groups:

- From the Engineering Society to Grupo Folklorico to UCLA Wushu, nearly 1,300 student groups offer every undergraduate a place to find kindred spirits
- 74% of undergraduates participate in student clubs or organizations; 35% are active more than 5 hours a week

Community Engagement:

- The Center for Community Learning facilitates academic courses with over 30 departments, integrating community-engaged learning and research
- 60% of undergraduates perform community service or volunteer activities; 21% spend more than 5 hours a week on service activities

Jobs and Career Preparation:

- The Career Center supports Bruins in finding and applying for internships, campus work, research positions, and other experiential learning opportunities
- Before graduation, nearly two-thirds of UCLA students have at least one internship
- Over 500 Bruins a year take internship courses through the Center for Community Learning

Recreation:

- UCLA Recreation affords access to world-class facilities and organized activities, both on and off campus. The Club Sports program consists of more than 50 clubs and over 2,800 participants.
- 86% engaged in some form of physical exercise or recreational sport; 39% exercised more than 5 hours each week

“ UCLA HAS TAUGHT ME A SERIES OF LESSONS THAT I WILL CHERISH FOREVER. SOME OF THESE INCLUDE A MULTIDISCIPLINARY APPROACH TO PROBLEM SOLVING, CHALLENGING THE STATUS QUO, BEING INTELLECTUALLY CURIOUS AND BROADLY THINKING ABOUT ISSUES FROM A GLOBAL PERSPECTIVE. ”

GRADUATION RATES

With graduation rates for undergraduates at UCLA now exceeding 90% for both freshmen (six-year rate, includes time off) and transfers (four-year rate, includes time off), average time to degree continues to improve. Below are the most recent freshman and transfer graduation rates:

FRESHMEN

80% graduate in 4 years or less
90% within 5 years
90% within 6 years
93% eventually graduate from UCLA

TRANSFERS

68% graduate in 2 years or less
89% within 3 years
92% within 4 years
94% eventually graduate from UCLA

Graduation rates and time-to-degree data are based on bachelor's degrees awarded through Summer 2017.

FIRST GENERATION

More than one-third of undergraduates earning a degree in 2017-18 were first-generation college graduates, with neither parent having a 4-year degree. These students were well represented by both freshmen and transfers, with 53% of first-generation graduates starting as freshmen, and 47% starting as transfers. The most recent graduation rates for first-generation degree recipients are 88% (six-year) for freshman entrants and 91% (four-year) for transfers.

TIME TO DEGREE

UCLA students who focus on four-year degree completion are meeting their goal. Of freshman entrants graduating in 2017-18, 89% registered for 12 or fewer quarters. For students finishing in the three most popular departments, the percent finishing in 12 or fewer quarters was 94%.

The average time to degree was 11.9 registered quarters (excludes time off) for freshman entrants who graduated in 2017-18; students who entered as transfers and graduated in 2017-18 registered for an average of 6.4 academic quarters. Of these transfers, 77% registered for 6 or fewer quarters.

SUMMER

Summer programs continue to be popular at UCLA. Nearly 75% of undergraduates complete at least one Summer Sessions course as part of their studies. More than 12,600 UCLA undergraduates attended Summer Sessions in 2018. Students may participate in summer programs at any point during their undergraduate careers, which can assist in managing their degree progress.

From the College Summer Institute, which enrolls participating freshmen in classes for credit prior to their first Fall Quarter, to Summer Travel Study, where students earn credit for academic courses taken abroad, summer programs provide flexibility and variety. More than 1,000 of UCLA's academic courses—including online classes and courses from every College division and every professional school with an undergraduate program—are offered during the summer in two sessions.
